Glenn,

Happy New Year to you also. I actually was in the process of getting back to you. Because of our heavy workload, we are still in the process of reviewing your latest manuscript. Unfortunately, based on my review, I feel we will need to meet again to discuss various parts of the text. Hopefully, such a meeting will be acceptable with you.

I will get back to you probably next week to make arrangements on the most convenient time for both

A belated Happy New Year.

How long would you say until you will send me what I anticipate and hope will be the final round of revisions to my manuscript, Victims of Delusion? I expect that there will not be too many points outstanding.

I am anxious to resolve any outstanding points and to be able to move on to an agent and a publisher.

Many thanks.
